Personal Advice & Custom Targeted PR

How I Work to Achieve Publicity Success for You

I operate a highly personalized, custom-targeted, task-based publicity service. I normally recommend that you have me take two primary actions:

1. **Custom targeted publicity outreach (nationwide US and Canada)**
2. **Top media phone follow up effort**

The first step is required and the second is optional but highly recommended since the two actions together produce the best response.

Step 1: MEDIA E BLAST The typical national outreach (\$500) news release project includes:

- a. PERSONAL CONSULTATION by phone and email - I will help you identify and develop the best message to use.
- b. REVIEW and EVALUATION of your creative works and marketing materials.
- c. RECOMMENDATIONS on how to proceed and THE BEST action plan and schedule.
- d. WRITE THE BEST NEWS RELEASE - send it back to you for REVIEW, COMMENT, and APPROVAL.
- e. CREATE CUSTOM TARGETED MEDIA LIST covering magazines, newspapers, radio, TV and Internet media as appropriate.
- f. TRANSMIT THE NEWS RELEASE by email html with graphics to the media on your custom list
- g. PROVIDE a copy of the custom media list to you so you know where it goes and can follow up to your heart's content,
- h. PROVIDE you with GUIDANCE and TRAINING on how to do additional follow up, and evaluate performance and effectiveness.

Step 2: PHONE FOLLOW-UP The optional phone follow up (\$700). We sort your custom list and prioritize it so we can call the top 100 media on this list and get the door open for reviews, articles and/or interviews.

The best results always come from doing both. This is because you have to achieve meaningful communication with enough of the right media. Please look over my menu of options. You can see how I work at my website: <http://www.directcontactpr.com/services/> Specific costs and options are described here: <http://www.directcontactpr.com/publicity-packages>

Publicity can be tailored to serve a wide variety of goals. News releases can be written in lots of ways. We target specific media to provide coverage at the local geographic level or for events or for very specific editors or purposes. Actual costs are reduced to match the scope of the actual project. Minimum project cost is \$100. We can re-issue the same news release to the same list a week or two later. This second distribution will produce more media response. Cost is 50 percent of the original project.

Everything I do is custom. Call me if you want to discuss your specific project, goals and ideas. Send me a book or product to review and brief me in so I can advise you intelligently.

My address is: Paul Krupin 2404 South Lyle St. Kennewick WA 99337 You can call me directly any time 509-582-5174.
